Membership

Thank you for your interest in the Younger Women's Task Force – Chicago Chapter!

We are excited that you are taking the time to become involved and want you to recognize that your efforts and passion for women's issues is important! YWTF is a great way to become involved in your local community and provides numerous opportunities for:

- networking
- event planning
- fundraising
- mentorship
- education
- serving on committees
- and, of course, FUN!

We have two levels of membership available at this time, ACTIVE and FRIEND. Please read the descriptions of the two levels below and then select the one that fits best for you at this time! We look forward to having you as part of our membership and we can't wait to get started!

ACTIVE MEMBERSHIP

Active membership is for those that want to become involved in YWTF at a deeper level. We consider our membership our greatest asset and having dedicated women and men as part of the task force helps us in a variety of ways. At the active level:

- you must serve on at least one committee per year (appx. 4-6 meetings per year)
- you must attend at least one social event per year (4 per year)
- a donation of \$10 is required (this money helps fund our programs and events)
- you will get reduced fees for YWTF events

In addition:

- you will receive our monthly e-newsletter
- there will be a special thank you event for our active members for your hard work and dedication
- your name will be listed as an active member in event materials

Does this sound good to you? If so, please fill out the information below!
